

## **Rutgers New Brunswick World Language Testing: 2021**

Note: Testing information below applies only for Rutgers – New Brunswick.

**Incoming first-year students enrolled in these programs are required to complete language testing:**

**A) SAS, B) the Honors Program – through SAS or RBS, or C) Honors College –through SAS or RBS.**

Tests should only be taken for languages with which you have experience. Taking the test fulfills the testing requirement but does not necessarily obligate you to continue studying that language. Students planning to start studying a new world language at Rutgers should NOT take the test in the new language. If you are in one of the above named programs, you still need to fulfill the world language testing requirement and should test in a language with which you have experience.
