The stage in Schare Recital Hall

This building is the main hub for the Department of Music. For more information about the music programs at Mason Gross, [click here](#).

Music Department offices, classrooms, concert hall. The Music Building was designed specifically for music instruction. Massive masonry walls and doors minimize sound leakage. The facade features a lyre and composers' names. Its name honors Stephanie Morris Marryott, who taught here in the 1930s, in recognition of her generous support.
