[Graduate School-New Brunswick 2005-2007](#) ▶ Programs, Faculty, and Courses

Programs, Faculty, and Courses

In this chapter, detailed descriptions of the programs offered by the Graduate School-New Brunswick appear in alphabetical order by subject name. Under each program, information is provided about the degree or degrees offered, the name and campus address of the program director, a list of the members of the graduate faculty in charge of the program and their research interests, a description of the program's special purposes and requirements, and a list of courses. Note: For a comprehensive list of the degree programs offered by the Graduate School-New Brunswick, see the Degree Programs Available chapter.
