OFFICE OF VICE PRESIDENT AND GENERAL COUNSEL

Welcome to the web site for the Office of Vice President and General Counsel.

Mission

Our office manages and supervises all legal affairs for the University. The General Counsel serves as the legal officer to the Board of Governors and the University. This office provides legal advice to the President, Board of Governors, and administration on a broad array of legal issues and represents the University in all legal proceedings. The Office of Vice President and General Counsel strives to advance the mission of the University and its complex constituency by providing timely advice toward sound decision making in all issues that face a modern, public research University.
