Publications and Research

Check all that apply:

- I conduct research outside the U.S.
- I collaborate with scholars outside the U.S.
- My research interests have an international element or focus
- I have publications in international journals
- My work is disseminated to audiences outside the U.S.
- I receive external funding from sources outside the U.S.
- I receive external funding to support my work outside the U.S.

Please describe other international initiatives in which you are engaged that are not described above:

How can the GAIA Centers help you facilitate or support your international work?

- Facilitate connections to Rutgers' existing and new international partners
- Facilitate connections between Rutgers' units and faculty working in the same subject areas or countries in which I am working
- Consult with me on ways I can expand my global connections
- Host workshops on expanding international research collaborations and funding
- Convene interdisciplinary groups of faculty and researchers with the goal of identifying shared global research programs potentially fundable through external sources
- Provide resources and examples of best practices for internationalizing courses and/or curriculum
- Other

What are your top three recommendations for strengthening Rutgers' reputation as a globally engaged university?

First priority:

Second priority:

Third priority:

Which of the following do you prefer?
